

# ST. FRANCIS REC DANCE MONTHLY *Parent Newsletter*

SEPTEMBER 2023  
WWW.STFRANCISDANCE.COM

Welcome to the St. Francis Dance Program's 16th year! Whether you are returning to our program or you are a new member of our dance family, words cannot express how happy we are that you are joining us this season. Each month you will receive a newsletter via email that will also be archived on our website and Band app with upcoming important dates, Parent to do / reminder list, and other features to keep you in the loop of everything SF Dance is up to.

TEACHER

## *Spotlight*

### MS. AMANDA

Ms. Amanda is the Director of the St. Francis Dance Program. This is her 22nd year teaching dance and her 16th year with the St. Francis Dance Program. Before St. Francis Dance, she taught at a competitive dance studio and choreographed for the St. Francis Middle School and High School Dance Teams bringing home the high school's first state championship in its history in 2009 for pom and the team's first 8 middle school state titles for pom, hip hop, and kick. Her favorite style of dance to do is tap, but her favorite style to teach is lyrical.

She is obsessed with everything Disney and collects everything Dumbo! She loves fall because the perfect day in her mind involves a pumpkin spice latte, a hoodie and sweatpants (comfies), a cool breeze, and some NFL Football. She is too excited to come back and see what this new season brings!

## FINDING DANCE SHOES

Ms. Amanda will email out an inventory list of her free hand me down shoe inventory before 9/18. If your child's shoe size is available in the style shoe they need, you will sign up next to that size. If not, Ms. Amanda will be available in room 1 on 9/18 and 9/25 with sample size kits to try on shoes available on our website online store. You are also free to find shoes on your own from online sites, resale places like Facebook marketplace or ebay, and more. Make sure to read the Handbook pages on dance shoes to make sure you are getting the right style and color dance shoe required.
